Procedural

- Requests for Development Plan Review and Primary Plat Review are required to be considered at a public hearing. The public hearing for this petition was heard at the February 4, 2013 Advisory Plan Commission (the "APC") meeting.
- Approval of a Primary Plat, Development Plan, and Site Plan Review must be granted if the submitted plans demonstrate compliance with the terms of the underlying zoning district, subdivision control ordinance or applicable PUD, any variances associated with the site, and any commitments associated with the site.
- The Advisory Plan Commission may approve, conditionally approve, continue, or deny the requested approval. Any conditions must be determined through agreement of the APC and the

petitioner. Any continuance should also be determined through agreement of the APC and the petitioners.

Project Overview

Project Location

The subject property is approximately 73 acres in size and is located at the southwest corner of 169th and Springmill Road (the "Property"). The property is currently agricultural in nature and is surrounded by vacant land to the east, Maple Knoll PUD to the south and west, and Saint Maria Goretti to the north.

Project Description

The proposed development plan and primary plat is for one-hundred and eight two (182) single-family detached residential lots within the Keeneland Park PUD (the "Project"). The Project amenities include a swimming pool, sport court, and a proposed trail connection with the Maple Knoll Common area and 169th Street. The Project will have two separate single-family lot sizes of 7,800 and 8,200 square feet.
